Monday, Nov. 2, 12 pm to 6:30 pm at HBS

12 pm - 1pm: Introductions & HBS case study session
by John Macomber, HBS

Planning for Urban and Regional Resilience

November 2 - 3, 2015

This symposium will focus on urban and regional resilience, as the next step of sustainable planning. It will bring together public officials, infrastructure engineers, planners, design professionals and academics to share next generation perspectives on urban resilience, focusing on infrastructure planning at the urban and regional scales.

Monday at Harvard Business School:

Cumnock Hall, Room 102
Harvard Business School (HBS)
33 Harvard Way, Boston, MA 02138

Tuesday at Harvard Graduate School of Design:

Gund Hall, Room 112 (Stubbins)
Harvard Graduate School of Design (GSD)
48 Quincy Street, Cambridge, MA 02138

For more information visit: www.zofnass.org

RSVP required
